WELCOME TO OUR MEDICAL PRACTICE

Thank you for choosing our practice for your healthcare needs.

Please take the time to fill out the registration forms below and bring them with you on your next appointment. Also, please bring a photo ID and your insurance card if you have one.

Please be advised that all insurance co-payments should be made at the time of the office visit. This helps our office keep administration costs down. If you do not have insurance, payment is expected at the time of service unless other arrangements have been made with our Business Department prior to the time of your visit.

Again, thank you for choosing us. If you have any questions or need directions to our office, please call us at (818) 734-4888.

Sincerely yours,
Office of Zouheir Elias, M.D.
